DETAILS OF COMPLAINT *

See attached documents. Ms. Harris is now the Acting Chair of US Merit Systems Protection Board (MSPB) and has been nominated by President Biden to become its Chair. She has been licensed by the DC Bar since 2000. My public testimony is that she breaks the law in NOT discharging her most important statutory duty of her position as the lawyer-leader of MSPB for American health, safety, security and welfare – and then engages in a cover-up of her law-breaking, putting America an unnecessarily increased risk of a nuclear 9/11 or other existential catastrophe.
