## Clerk of the Board

December 4, 2006

Mr. Joe Carson, P.E.  
10953 Twin Harbour Drive  
Knoxville, Tennessee 37934

Dear Mr. Carson:

This is in response to your e-mailed Freedom of Information Act submission received in this office on December 1, 2006. You ask for information related to the Board's compliance with 5 USC 1204(a)(3) that requires the Board to report to the President and to the Congress as to whether the public interest in a civil service free of prohibited personnel practices is being adequately protected.

The statute you cite is one of the Board's major missions. This mission primarily is performed by the Board's Office of Policy and Evaluation. A list of the special reports and studies produced by this office is available from the Board's website. The address is <http://www.mspb.gov/studies/mspbstudiespage.html>. For your information, a copy of the archive of report is enclosed.

Many of these reports, since 1994, are available from the website. For the earlier reports, over the next couple of years, MSPB hopes to complete its collection of reports in an electronic format. In the meantime, reports not currently available electronically may be requested from the Office of Policy and Evaluation by writing to the office or by e-mail to [STUDIES@mspb.gov](mailto:STUDIES@mspb.gov).

To receive advance notice of published reports and other activities of the Office of Policy and Evaluation, You might also wish to subscribe to the MSPB Studies ListServ. A link to do so is available on the MSPB Studies page identified in paragraph 2 above.

Sincerely,
