

¶362.1

.....

A **just resolution** is one that focuses on repairing any harm to people and communities, achieving real accountability by making things right in so far as possible and bringing healing to all the parties. In appropriate situations, processes seeking a just resolution as defined in ¶ 362.1(c) may be pursued. Special attention should be given to ensuring that cultural, racial, ethnic and gender contexts are valued throughout the process in terms of their understandings of fairness, justice and restoration.
