

¶ 165 God's world is one world. The unity now being thrust upon us by technological revolution has far outrun our moral and spiritual capacity to achieve a stable world. The enforced unity of humanity, increasingly evident on all levels of life, presents the Church as well as all people with problems that will not wait for answer: injustice, war, exploitation, privilege, population, international ecological crisis, proliferation of arsenals of nuclear weapons, development of transnational business organizations that operate beyond the effective control of any governmental structure, and the increase of tyranny in all its forms. **This generation must find viable answers to these and related questions if humanity is to continue on this earth.** We commit ourselves as a Church to the achievement of a world community that is a fellowship of persons who honestly love one another. We pledge ourselves to seek the meaning of the gospel in all issues that divide people and threaten the growth of world community.
